CUSTOMIZATION & TEMPLATES

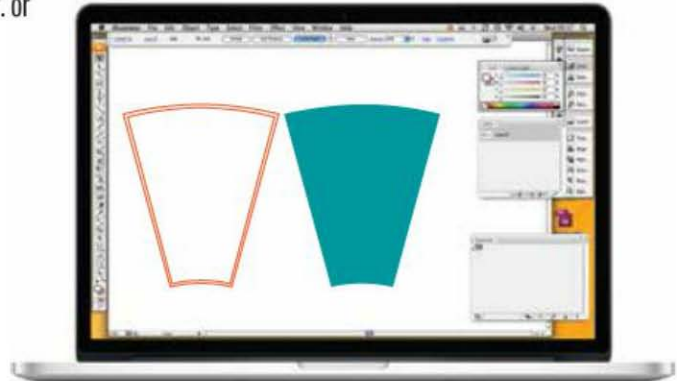

Make It Your Own

- ◆ All of our Prize Wheels are customizable with any images, graphics and/or text using templates available for download from our website at www.GPPlay.com at no additional cost.
- ◆ Templates are available in MS Word and Adobe Illustrator.
- ◆ All wheels include center plate labels. Upgrade your prize wheel with a laminated center plate or we can print your logo directly on the plastic (with a minimum order of 10).
- ◆ Artwork should be submitted in PDF, EPS, AI or MS Word format. If fonts are included, they should be converted into outlines. For color matching, CMYK values should also be included.

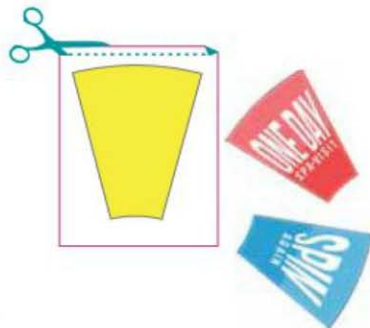

How to customize your Prize Game

1. Customize the template using MS Word and Adobe Illustrator. or From our website, choose the right template for the game you have purchased.

2. Format the insert as you would like with color, text, pictures etc, then print and cut out while following the outline.

3. Insert them into the slots on the prize game.
